OFFICE OF THE DEPUTY COMMISSIONER
HASSAN DISTRICT

Dated Hassan, the 22nd February *1938*

M 68-37—116

From
ABDUL AZIZ KHAN Esq BA
Deputy Commissioner Hassan District

To

P H Krishna Rao, Esq , M A ,
Secretary to Government, Local Self Government
Department, Bangalore

Sir

In forwarding herewith in original, correspondence ending with Alur Deputy Amildar's report No C R 25-37/Alur dated the 12th February 1938 re the grant of sites to the Mosque at Alur, I have the honour to state as follows -

2 The Mahommedan residents of Alur presented a petition to this office, stating that the local Municipal Council had proposed to dispose of the sites in front of the Sub Taluk Office by auction, that there were kabarstans behind these sites and that their mosque had no source of income They further prayed that 4 of the sites proposed to be sold might be granted to the Institution

3 The petition was sent to the President, Alur Municipal Council, with a request that 2 or 3 sites in the locality, referred to above might be reserved ~~from~~ for the Mosque He was also requested to furnish the views of the Municipal Council in the matter The President having placed the subject before the Municipal Council, they resolved at their meeting held on 30-10-37, that 2 sites might be granted to the Mosque free of cost and that sanction of Government be obtained theret

4 The President having submitted a copy of this resolution for orders, he was instructed to submit a sketch and a mahazar from the villagers re: the value of the sites He submitted the sketch and a mahazar to the effect that the sites proposed to be granted to the Mosque might be valued at Rs 100/- each

5 Thereupon, the Deputy Amildar, Alur Sub Taluk, was requested to report how the devotees proposed to make use of the sites with a view to create a source of income to the Mosque and also to furnish information re the financial position of the Institution The Deputy Amildar has submitted a statement of the devotees to the effect that they would collect public subscriptions and construct shops or an Urdu Girls' School Building within 2 years, rent them out and make use of the rent for meeting the maintenance charges of the Mosque In submitting the above, the Deputy Amildar has stated that the Mosque is a village Institution endowed with an annual cash grant of Rs 6-12-0 that this amount is being paid to the Khaji at Rs 0-9-0 per month and that there is a sum of Rs 28-3-1 at the credit of the Institution

6 As the Mosque has no other source of income and as the cash grant of Rs 6-12-0 per annum is not sufficient to meet the expenditure, I request you to be so good as to obtain sanction of Government to the resolution of the Municipal Council to grant the two sites to the Mosque free of cost, subject to the devotees constructing shops within a period of two years and also to their not being alienated at any time

7 It is noted in the sketch enclosed to the records that sites Nos 10 and 11 are required by the devotees and that each of them measures 20' x 45'

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District
